E. FERMI PRIMARY SCHOOL MILAN

This is our school: E. Fermi Primary School, in Milan.

We have a nice garden, a gym, and classrooms for music, art and IT.

In the library we can borrow interesting books.

In the garden we can play together and also we can grow vegetables.

We like PE!

This is our classroom: it's very beautiful. In our class there are 22 children. Each of us is different but we all create a wonderful team.

About our class

Our class is a harmonious package and we all like each other and respect each other.

On breaks we play and laugh at falls and jokes.

We learn in class and sometimes we joke with teachers and we have fun.

We have uniforms at school and we have a class animal.

Uniforms are comfortable and elegant, our parents say they are helpful: that there is no argument that someone has such a shirt and pants.

A class pet is a sweet little rabbit who sometimes teachers let him go to the floor and run around the classroom.
